FUNDRAISING OPT-OUT OPTION

I am writing to inform the Cedar Creek Crew Booster Club that my child/children will be a participant in the 2023 season.

As the parent/guardian I accept financial responsibility for a per-child fee of \$500.00, which can be fully raised from participating in fundraising events throughout the season.

We have chosen to provide the funds without fundraising and understand the following due dates and amounts:

- First payment of \$250.00 due by March 1, 2023
- Second payment of \$250.00 due by May 15, 2023

Payments can be made via cash, check payable to Cedar Creek Crew Booster Club or through Venmo @ccpirates-crew

Enclosed, please find the payment of \$_____.

Please note that fundraising is not part of the volunteering we ask from rowers and parents at the races, which supports the team and club.
